Fax: 01782 336940.

Mirror Material: Image '6' Mirrors.

Image '6' Mirrors: Float Glass, silvered to give maximum reflection, free from tarnishing, discoloration, scratches and other defects visible in the designed viewing conditions.

Thickness:

Overall 6mm thick.

Core Material:

Class A cross linked acrylic safety backing to BS6206B.

Edge Treatment:

Polished Edges.

Background:

Plasterboard/ Plastered Blockwork, to provide a true surface both horizontally and vertically.

Fixing Method:

Fixed with 8mm polished aluminum 'J' section, top and bottom as primary fixed, with mirror adhesive applied to back of mirrors as a secondary fix. Fix accurately and securely to provide a flat surface.

Ensure there is an undistorted reflection within and between adjoining mirror panels.

Accessories:

Polished aluminum angles to end mirrors.

Single/ double tier Ballet Barre: Powder Coated Steel brackets, 50mm diameter, pre finished Ash rail, fixed to 80mm ash backing board.

Aluminium checker plate wall protection.

Safety Standards:

Safety backed to ANS1 297.1 1984 Human Body Impact, BS6206 Class A/O, Class 0 Fire Performance.
